4) Mr Kariappa — (Gundlupet) The Amildar has recommended one Mr Joseph Manthirandappa. This is for consideration & orders as to whether recommended [illegible] has not given any reasons as to whether recommended [illegible] name

New Regs 18/12/26

Since two Muslims are returned through Elections, there appears to be no need to Nominate a failed Candidate

The Amildar's recommendation which seems to be based on Knowledge of local Conditions and which appears

undesirable may perhaps be approved

1) An addl candidate may perhaps get his turn this time. There is all over the State a cry that only Aks get the bulk of favours from Govt. In this view, Mr L. Hanumantappa's Bill Lingappa may therefore be preferred

2) The next major unrepresented Community is of Weavers (Neige) Mr Neeli Yenkappa but Basappa may be nominated

3) Gangadhara is another Equally important unrepresented Community Mr Siggli Marthandappa but Parasappa may be nominated

These three Candidates are stated to be loyal & law abiding Citizens. It would have been better if DCs reports were more explanatory in character

Respected sir,

Sub.- Re. Nomination to Muncipal Council Harihar.

I beg to bring the following few lines to your kind consideration and favourable recomendeation to nominate me as a member to the Muncipal council.

I am one belonging to the depressed community. I am traing in cloth and posses landed properities in Harihar town. I am paying a 'Kandayam' of Rs 22/-.

I was a candidate in the recent Muncipal election held on 15th Nov,'46 and my candidature was, on behalf of our three communities namely Kochi, Chalwadi and Adidravadas.

I was able to secure 345 votes and the last sucessful candidate decened 389 votes. Thus my failure was very narrow and and unfortunate. I may state that as you are wellaware of, that there was a great compition in the recent election, 36 persons.

In a place like Harihar, to secure 345 votes by a person belonging to a depressed community is in itself an achivement and I belive that you will appreciate the little popularity I have gained amongthe public of higher castes and communities. If some of the persons belonging to the above communities had not been voted for me I would not have secured 345 votes because the number of voters of my community is only 18.

I may also state that it is right that a person of my community be represented in the muncipal council to safe-guard the interest of the depressed classes.

In the above circumstances I earnestly pray that you will be so good as to recomend my name for nominating me as a member to the Municipal council of Harihar town, for which I shall ever be

Grateful to you.

Respected sir,

I beg to submit this my application for your honour's kind consideration.

I am one of the rate-payer belong to Muslim community of Harihar town and paying mohatarf tax of Rs 200/- and a land revenue of Rs 100/-. My community population is 4,000 nearly and for such a huge population only two have been elected during the recent election which is rediculous. Regret to disclose that my fellowmen have mistaken me as I took leading part in giving possession of the Kumbargere Mosque, besides I fell ill and got treatment at Hubli and returned only 3 or 4 days before this election. So I could not stand for this election.

I have also served as a muncipal councillor inthis very same muncipality for a continuous period of 12 years. I am very inquisitive to render my services to my fellowmen and also the rate-payers.

So I request that I may be nominated as a candidate for the same for which act of kindness I am indebted.

The petitioner begs to state as follows:-

1 The petitioner is a Banker and Land Lord and has been serving the public in several capacities representing certain organisations in his own humble manner He was a member of the Municipal Council Harihar for nearly 25 years and also member of the High School and Maternity Hospital Committee He is glad to state that he holds a good record of his services to the public in all possible ways He had served the Municipal Council of Harihar Town as Vice-President for 9 years

2 This petitioner had stood as a candidate for membership, during the recent elections to the Harihar Municipal Council which took place on 15th inst He very much regrets to state that he was ~~not~~ thus been deprived of the valuable opportunity to serve the public of Harihar

3 The petitioner wishes to state that in Harihar Town, for Brahmin community only one is returned in the election and considering the strength of his community, there ought to be more than 3 members in the Municipal Council It is proper that at least one more member of this community is given representation in the Council by way of nomination In view of his long connection with the Municipality for a period of 25 years and having served it as Vice-President for a good period of 9 years, he has gained some experience of the needs of the town and the ways and means of tackling the problems of the Town

Sir,

I beg to bring the following few lines to your kind and sympathetic consideration and favourable orders

I was a candidate in the last Municipal Elections held on 15-11-1946 and was unfortunately not elected mainly due to party party and communal feeling which prevailed during the elections These party and communal feelings are prevailing in this town since 9 to 10 years As I come from the family of late Mr R T Madhavarao, Retired Assistant Commissioner, who was my uncle and who served the Government honestly, and as I believed in the Hindu Muslim unity and worked for it honestly as a member of the Peace Committee formed in this town recently according to the instructions of the Government, I could not get enogh votes from those that still had their strong communal feelings both in the Hindy Community and the Muslim Community My community is a very backward community by name Bhavesara Kshatriya, having only 50 votes I secured about 250 votes more from all other communites in the recent elections My community has not been represented in the Municipal Council since 9 years

I am a Municipal Tax payer paying about Rs 250 annualy

I have been recently nominated by the Government as a Municipal Councillor of this Town in the place of late Mr Koteppa

I therefore beg to request you kindly to reccommend my name to the Government to nominate me as one of the Municipal councillors for this constitution I beg to assure you in this connection that I would strive my best to bring about the communal unity which is badly needed to this Town

Thanjavur, Dated 2nd Dec 1947

The Deputy Commissioner

Sir,

Subject:- Nomination to Thanjavur Town Municipal Council to be reconstituted from 1-1-47

With reference to your memo No. Ag C 50/46 47 dated 25th ultimo on the above subject I beg to submit herewith a panel of 6 names of members of different Communities that deserve to be nominated to the next Council together with a Statement (No 1) Showing Castewise population of Thanjavur Town as per census of 1941 and another Statement (No 2) Showing the number of Castewise elected members, for your kind perusal and orders

It will be kindly seen from Statements No 1 and 2, that out of twelve Communities having the largest population Six have secured representation in the recent Elections Therefore the other Six Communities that have not secured any representation have been taken into consideration in making Recommendation for nomination as well Christian Community and Labour and Industries interests as per the Instructions Contained in Govt No L 2900-7 ML 181-32-1 dated 21-10-32 The names of these 6 Communities are given below

(1) Adikarnatakas 653
(2) Veyge or Vaidas 551
(3) Gangemata 320
(4) Bedas 284
(5) [redacted]
(6) Vaidyas
(7) Christians
(8) Labbai and
its dividers -

Careful Confidential enquiry
made above but are Candidates to be nominated
out of these Eight Communities and instructions
Conveyed in the G.O noted above have been
followed in Submitting proposals

The Mohammadan population
is 2261 has secured two seats in the previous
elections During the last two terms of the Com
this Community had obtained two seats while during
the two terms previous to that it had three
seats for each term It is a matter for kind
Consideration whether one more seat to this major
Community Cannot be given in the next Council by
means of nomination namely the total strength
with a view to secure harmony and smooth
these days of strained feelings between Hindus
and Mohammadans of the Town. One name of
the community has therefore been proposed for nomination

The three major Depressed classes
classes in Harihar Town are ADs, AKs and
Mochis and the population of 653 as shown
the Census of 1941 of AKs includes all three
sub sects. During the last three terms of the Council
Mochis and AKs have had three representatives
and it is therefore just and equitable that ADs
(Cheluvadis) Should get a representation in the Council
Council Therefore This Community is recommended to be
nominated Other one name is suggested

The population of Ormskirk is insignificant being only 44 and there is no suitable person to be selected many of them being foreigners also therefore this Community does not require any representation

one person to represent claims and in dustries interests is also proposed to be nominated with due deference to the Go noted above and after taking in the Consideration the present Industrial Developments of the town which are going from day to day

There are no proper men available for nomination from Bedes Community

Two Candidates out of Varsity Community stood for election, both of them failed as this Community is too minor (120 population) - it does not deserve any nomination

Thirty Eight applications belonging to several Communities received in this office praying for nomination are enclosed herewith with a tabular Statement(Abstract) which is self explanatory of each case

I beg to remain

The three major sub sects of depressed Classes in Harihar Town are A.D's, A.K's and Mochis and the population of 65'3 as shown in the Census of 1921 of A.K's includes all these sub sects. During the last three terms of the Council Mochis and A.K's have had three representations and it is therefore just and equitable that A.D's (Chalavadis) should get a representation in the Council Therefore This Community is recommended to be nominated and one name is suggested

The population of Christians is insignificant being 44 and there is no suitable person to be selected many of them being foreigners also therefore this Community does not require any representation

one person to represent Latin and its difficulties interests is also proposed to be nominated under clause reference to the Go noted above and after taking in the Consideration the present Industrial Development of the town which are going from day to day

There are no proper men available for nomination from Beder Community

Two Candidates are of Kanchya Community stood for election, both of them failed as this Community is too minor (120 population) - it does not deserve any nomination

Thirty Eight applications belonging to several Communities received in this office praying for nomination are enclosed herewith with a tabular Statement(Cross)on which is noted merits of each case

I beg to bring the following few lines to your kind and sympathetic consideration and favourable orders

I was a candidate in the last Municipal Elections held on 15-11-1946 and was unfortunately not elected mainly due to party party and communal feeling which prevailed during the elections These party and communal feelings are prevailing in this town since 9 to 10 years As I come from the family of late Mr R T Madhavarao, Retired Assistant Commissioner, who was my uncle and who served the Government honestly, and as I believed in the Hindu Muslim unity and worked for it honestly as a member of the Peace Committee formed in this town recently according to the instructions of the Government, I could not get enogh votes from those that still had their strong communal feelings both in the Hindy Community and the Muslim Community My community is a very backward community by name Bhavasara Kshatriya, having only 50 votes I secured about 250 votes more from all other communites in the recent elections My community has not been represented in the Municipal Council since 9 years

I am a Muncipal Tax payer paying about Rs 250 annualy

I have been recently nominated by the Government as a Municipal Councillor of this Town in the place of late Mr Kotegpa

I therefore beg to request you kindly to reccommend my name to the Government to nominate me as one of the Municipal councillors for this constitution I beg to assure you in this connection that I would strive my best to bring about the communal unity which is badly needed to this Town

Respected sir.

Sub.- Re. Nomination to Muncipal Council Heriher.

Rec'd Oct 29/46

I beg to bring the following few lines to your kind consideration and favourable recomendeation to nominate me as a member to the Muncipal council.

I am one belonging to the depressed community. I am traiding in cloth and posses landed properities in Harihar town. I am paying a 'Kandayam' of Rs 22/-.

Re letter 22-

I was a candidate in the recent Muncipal election held on 15th Nov,'46 and my candidature was on behalf of our three communities namely Kochi, chalwadi and Adiaravadas.

I was able to secure 345 votes and the last sucessful candidate decened 389 votes. Thus my failure was very narrow and and unfortunate. I may state that as you are wellaware of, that there was a great compition in the recent election, 66 persons.

In a place like Harihar, to secure 345 votes by a person belonging to a depressed community is in itself an achivement and I belive that you will appreciate the little popularity I have gained amongthe public of higher castes and communities. If some of the persons belonging to the above communities had not been voted for me I would not have secured 345 votes because the number of voters of my community is only 18.

I may also state that it is right that a person of my community be represented in the muncipal council to safe-guard the interest of the depressed classes.

In the above circumstances I earnestly pray that you will be so good as to recomend my name for nominating me as a member to the Municipal council of Harihar town, for which I shall ever be

Grateful to you.

To

The Amildar Harihar Taluk,

Harihar.

Respected Sir,

I the undersigned respectfully beg to submit this application for your kind consideration and favourable recommendation to the government. I belong to viswavakarma community which is very backward in education and even its economic conditions is going down due to lack of proper support and encouragement to to its occupations being Gold smith, Iorn smith and Carpentry.

This community feels its utter helplessness to represent any thing that concerns its welfare through proper channel. I have come forward to do my humble bit for the advancement of my community and I am paying Rs 158 as income municipal and revenue taxes.

I am working as a president to the association of our community consisting of 15 taluks..

Though very poor and strengthless, this community has offered a donation of rupees 200to (1) High school and (2) Laternity Hospital.

I beg to add that in this taluk as there are only about a hundred people of our community, out of which a very few of them (10-15) have got voting powers, it is obvious, that it is notpossible for a man of our community to come as a member in proper election.

For the fore going reasons I request your noble self to consider my case sympathetically in recommending my name for the election by nomination, for which of act of kindness I and the community, as wel,will ever remain grateful to your honour.

I beg to Remain,
respected sir,
YoursObediently

Respected sir

Sub - Re. Nomination to Muncipal Council Harihar

I beg to bring the following few lines to your kind consideration and favourable recomendeation to nominate me as a member to the Muncipal council

I am one belonging to the depressed community I am trading in cloth and posses landed properities in Harihar town I am paying a 'Kandayam' of Rs 22/-

I was a candidate in the recent Muncipal election held on 15th Nov,'46 and my candidature was on behalf of our three communities namely Mochi, chalwadi and Adidravadas

I was able to secure 345 votes and the last sucessful candidate decened 389 votes Thus my failure was very narrow and and unfortunate I may state that as you are wellaware of, that there was a great compition in the recent election, 36 persons

In a place like Harihar, to secure 345 votes by a person belonging to a depressed community is in itself an achivement and I belive that you will appreciate the little popularity I have gained amongthe public of higher castes and communities If some of the persons belonging to the above communities had not been voted for me I would not have secured 345 votes because the number of voters of my community is only 18

I may also state that it is right that a person of my community be represented in the muncipal council to safe-guard the interest of the depressed classes

In the above circumstances I earnestly pray that you will be so good as to recomend my name for nominating me as a member to the Municipal council of Harihar town, for which I shall ever be

Grateful to you

Harihar.

I beg to remain

The petitioner beg to state as follows:-

1 The petitioner is a Banker and Land Lord and has served the public in several capacities representing certain organisations in his own humble manner He was a member of the Municipal Council, Harihar for nearly 25 years and also member of the High School and Maternity Hospital Committee He is glad to state that he holds a good record of his services to the public in all possible ways He had served the Municipal Council of Harihar as vice-preisdent for 9 years

2 This petitoner had stood as a candidate for membership, during the recent elections to the Harihar Municipal Council which took place on 15th inst He very much regrets to state that he was not declared elected He is feeling sorry for having thus been deprived of the valuable opportunity to serve the public of Harihar

3 The petitioner wishes to state that in Harihar Town for Brahmin Community only one is returned in the election and considering the strength of his community there ought to be more than 3 members in the Municipal Council It is proper that at least one more member of this community is given representation in the Council by way of nomination In view of his long connection with the Municipality for a period of 25 years and havingserved it as vice-President for a good period of 9 years he has gained some experience of the needs of the town and the ways and means of tackling the problems of the town

Respected Sir,

I the undersigned respectfully beg to submit this application for your kind consideration and favouraole recommendation to the government I belong to viswavakarma community which is very backward in education and even its economic conditions is going down due to lack of proper support and encouragement to to its accupations being Gold smith, Iorn smith and Carpentry.

This community feels its utter helpleness to represent any thing that concerns its welfare through proper channel I have come forward to do my bumble bit for the advancement of my community and I am paying Rs 158 as in come, muncipal and revenue taxes

I am working as a precident to the association of our community consisting of 15 taluks

Though very poor and strengthless, this community has offered a donation of rupees 200to (1) High School and (2) Maternity Hospital

I beg to add that in this taluk as there are only about a hundred people of our community, out of which a very few of them (10-15) have got voting powers, it is obvious, that it is notpossible for a man of our community to come as a member in proper election

For the fore going reasons I request your noble self to consider my case sympathetically in recommending my name for the election by nomination, for which of act of kindness I am the community, as wel,will ever remain grateful to your honour

Q - 11 Explain the Architecture of 8051 Microcontroller.

Ans:

The 8051 microcontroller is a popular microcontroller developed by Intel in the early 1980s. It is widely used in embedded systems due to its simplicity, low cost, and versatility. The architecture of the 8051 microcontroller can be divided into several key components:

1. CPU (Central Processing Unit): The CPU is the brain of the microcontroller. It executes instructions and performs arithmetic and logical operations. The 8051 CPU is an 8-bit processor, meaning it can process 8 bits of data at a time.

2. Memory: The 8051 microcontroller has both program memory and data memory. Program memory stores the instructions that the CPU executes, while data memory stores variables and temporary data. The 8051 has 4KB of on-chip program memory and 128 bytes of on-chip data memory.

3. Input/Output Ports: The 8051 microcontroller has four 8-bit input/output ports, which can be used to interface with external devices such as sensors, switches, and displays. These ports can be configured as inputs or outputs.

4. Timers/Counters: The 8051 microcontroller has two 16-bit timers/counters, which can be used for various timing and counting applications. They can be configured in different modes to generate interrupts or to count external events.

5. Serial Communication: The 8051 microcontroller has a built-in serial communication interface, which allows it to communicate with other devices using protocols such as UART (Universal Asynchronous Receiver/Transmitter).

6. Interrupts: The 8051 microcontroller has five interrupt sources, which can be used to handle external events or to trigger specific actions. Interrupts allow the CPU to respond quickly to time-critical events.

7. Oscillator: The 8051 microcontroller requires an external oscillator to provide the clock signal for its operation. The oscillator frequency determines the speed at which the CPU executes instructions.

Overall, the architecture of the 8051 microcontroller is relatively simple but powerful, making it suitable for a wide range of embedded applications.
